Cream

Serum, gel

NEEDLE TUBE

Safe Contact
Free-hand
cosmetic
application

The first packaging with a very thin metal applicator, allowing **ultra-precise dosage** for targeted make-up.

For the first time, the user can truly dose with precision, thanks to the applicator that is as thin as it is hygienic.

Ultra-precise application to perfectly fit with targeted areas

Ideal to treat your wrinkles or target the spots

Luxury aluminum applicator

Dosage precision

Sustainable : PCR available

Precise dosage !

GOLD RANGE

PATENTED

SUSTAINABLE !

Our patented bestseller is now designed to be **reusable** thanks to a **removable applicator** and a specific cap for the refill.

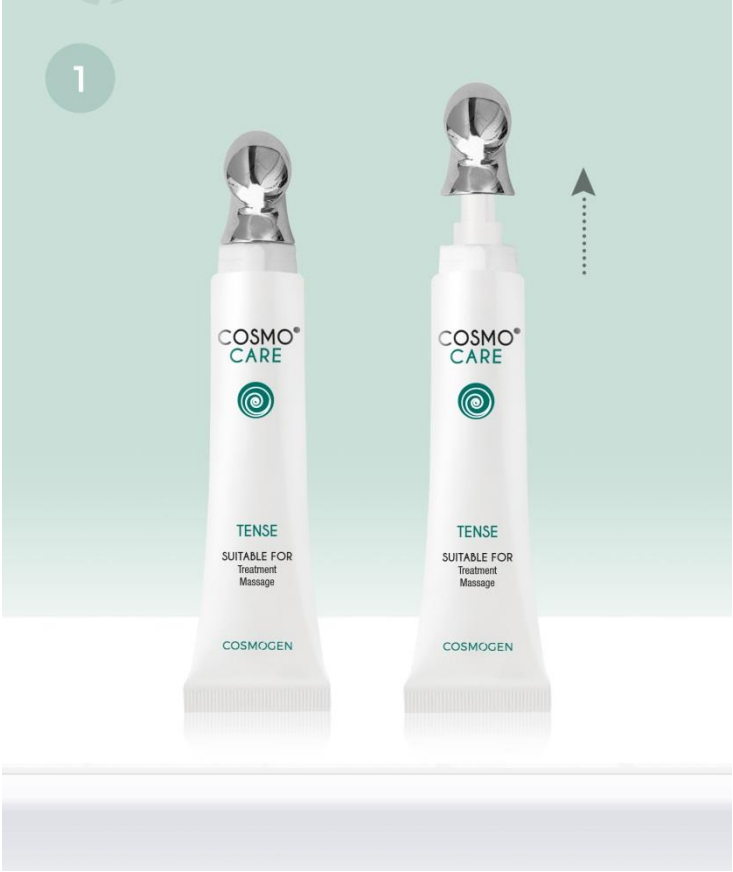

Added to this the tube and cap are fully **recyclable**

TENSE REFILLABLE

D19
