

## 1. SPECIFICATION CRITERIA

Product Name:	<b>NE Queen Garnet Cellular Extract Concentrate P3</b>
Trade Name:	NE Queen Garnet Extract
Botanical Name:	Prunus salicina
Product Code:	<b>ANE0616P3</b>
INCI Name:	Prunus salicina Fruit Extract
Description:	Prunus Salicina Fruit Extract is an extract of the fruit of Prunus salicina, Rosaceae
CAS:	1214268-59-3
EC:	Not allocated
Preservative:	Sodium Benzoate; Citric Acid; Potassium Sorbate
Application:	Cosmetic ingredient @ 0.5% - <1.0%
Functions [EC Regulation CosIng]:	Antioxidant
Country of Manufacture:	Australia
Organic Status:	Non-Organic
HS Code:	1302.19.91

## 2. COMPANY PROFILE

Name:	NATIVE EXTRACTS Pty Ltd
Address:	24 Kays Lane ALSTONVILLE NSW 2477 AUSTRALIA
Telephone:	+61 2 6686 5725

## 3. PHYSICAL – CHEMICAL CHARACTERISTICS

PHYSICAL - CHEMICAL PROPERTIES	TEST METHOD	SPECIFICATION
Appearance:	Visual	Mobile liquid
Colour:	Visual	Pink purple to purple brown
Odour:	Olfactory	Characteristic
Refractive Index @20°C:	1.370 – 1.550	Complies
Specific Gravity @20°C:	1.130 – 1.280	Complies
pH @25°C:	3.00 – 5.00	Complies

Colour may change over time and precipitation may occur which is a normal aspect of the product.  
Naturally occurring phyto compounds anticipated will fluctuate as a normal aspect of a naturally derived product.

MICROBIOLOGY	METHOD		SPECIFICATION
Total Viable Count [TVC]	Plate Count Agar + TTC		<500 CFU/g
SUBSTANCE CHEMICAL NAME	CAS No	EC	[%w/w]
Prunus salicina Fruit Extract	Not allocated	Not allocated	100%
Glycerine	56-81-5	200-289-5	34-55%
Prunus salicina Fruit	Article	Article	20-50%
Water/Aqua	7732-18-5	231-791-2	14-24%
Sodium Benzoate	532-32-1	208-534-8	≤0.5%
Citric Acid	77-92-9	201-069-1	≤0.4%
Potassium Sorbate	24634-61-5	246-376-1	≤0.3%
Cosmetic Restriction:	Not allocated		

## HANDLING

**STORAGE:** Product must be kept in the original packaging, protected from moisture and properly closed under pressure.  
Storage temperature <20°C. Shake before use.

**SHELF LIFE:** Shelf life of 24 months unopened from date of manufacture. Certain material will degrade more rapidly than others and ultimate shelf life is dependent upon good storage conditions and handling procedures.

**ACCEPTANCE OF GOODS:** Three days on receipt of goods to complete your QA, otherwise it will be deemed as passed and all liability is the responsibility of the client.

#### 4. INGREDIENT TOXICOLOGY – REGULATORY DECLARATION INFORMATION

	DECLARATION
Allergens	NATIVE EXTRACTS Pty Ltd hereby certify that the product listed comply with the Standards of the INTERNATIONAL FRAGRANCE ASSOCIATION (IFRA). Therefore, this product does not contain Allergens as per SCCNFP Allergens Annex III – Cosmetic Directive 2003/15/EC 7 <sup>th</sup> Amendment Directive Limit 0.001%
Animal Testing	NATIVE EXTRACTS do not conduct or commission animal testing of any ingredient or finished product, either directly or indirectly. Therefore, this product has not been tested on animals by us or our suppliers.
Artificial Colour or Flavours	NATIVE EXTRACTS certify that the named product does not contain any artificial colours or flavours.
Bovine Spongiform Encephalopathy [BSE] Transmissible Spongiform Encephalopathies [TSE]	NATIVE EXTRACTS products are free from human or any other animal derived materials including bovine products. These products are not derived from specific-risk materials as defined in European Commission Decision 97/534/EC. The manufacturing process does not use any ingredients of animal origin nor do our products come in contact with animal products during storage and transportation. There are no animal derived components used in the manufacturing or handling processes of its products. As such, these products can be declared free of Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).
Carcinogens, Mutagens or Reproductive Toxins [CMR]	NATIVE EXTRACTS products DO NOT contain Carcinogens, Mutagens or Reproductive Toxins [CMR] listed substances [Categories 1,2 and 3] conforming to the European Cosmetic Regulation No. 1223/2009.
Certificate of Origin	NATIVE EXTRACTS certify that the named product is manufactured in Australia by NATIVE EXTRACTS.
EU REACH	NATIVE EXTRACTS Pty Ltd does currently neither manufacture nor import any chemical substance into the EU on their own or in product quantities of 1 tonne or more per year. In addition, imported NATIVE EXTRACTS Pty Ltd products do not contain chemical substances intended to be released, during the normal and reasonably foreseeable conditions of the product[s] use as defined by the Regulation [EC] No. 1907/2006 of the European Parliament and of the Council of 18 December 2006, Regulation for Registration, Evaluation, Authorization, and Restriction of Chemicals [REACH] regulation and existing guidance. Thus, NATIVE EXTRACTS Pty Ltd does not currently have a direct REACH obligation to preregister substances.
Gluten-Vegan [GF-VG]	NATIVE EXTRACTS products are GLUTEN FREE products and are manufactured and packaged in a gluten free facility (no products are manufactured or packaged in our facility which could cause gluten contamination). Therefore, our products do not contain ingredients of meat, fish, fowl, animal by-products (including silk or dyes from insects), eggs or egg products, milk or milk products.
Genetically Modified Organisms [GMO]	NATIVE EXTRACTS products DO NOT contain Genetically Modified Organisms (GMO) and/or are not derived from materials that contain GMO and do not fall under the scope of the Regulation (EC) No. 1829/2003 of the European Parliament and of the Council on Genetically Modified Food and Feed and is free from irradiation. We also confirm that the processing equipment on which our products are produced is not used for the production of Genetically Modified material.
Irradiation	NATIVE EXTRACTS declare that this product is not irradiated or exposed to irradiation at any stage.
Nanoparticle	NATIVE EXTRACTS DO NOT supply products that contain nanoparticles by us or our suppliers. Therefore, we consider our products 'Nanoparticle free'.
Palm Oil	NATIVE EXTRACTS products are free from Palm Oil nor do they come into contact with Palm Oil. NATIVE EXTRACTS herby certifies that the Glycerin used in the Extracts is Non-Palm Glycerin which is derived from either Soybean based and/or Rapeseed based and/or Maize based.
Paraben Free	NATIVE EXTRACTS certify that the named product is free of parabens.
Pesticides	NATIVE EXTRACTS certify that the named products are free from pesticides at all stages of production including harvest and distillation.
Proposition 65	NATIVE EXTRACTS Pty Ltd does not knowingly or intentionally discharge or release a chemical known to the state, which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986, to cause cancer or reproductive toxicity into water or onto or in and where such chemical passes or probably will pass into any source of drinking water in compliance with the CA Health and Safety Code, Section 25249.5. NATIVE EXTRACTS in the course of doing business does not knowingly or intentionally expose any individual to a chemical known to the state, which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986, to cause cancer or reproductive toxicity without giving clear and reasonable warning in compliance with the CA Health and Safety Code, Section 25249.6. NATIVE EXTRACTS Pty Ltd products do not contain any of the chemicals that are known to the state, which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986, to cause cancer or reproductive toxicity, as per The Office of Environmental Health Hazard Assessment [OEHH] maintaining the list of chemicals regulated under Proposition 65. [CA Code of Regulations, Title 27, Section 27001]
SLS Free	NATIVE EXTRACTS certify that the named product is SLS free.
Sustainable / Ethically Sourced	NATIVE EXTRACTS Pty Ltd is committed to working with suppliers of raw materials that operate in an environmentally, socially and ethically responsible manner. We acknowledge that sourcing natural raw materials, particularly Australian Native Botanical species, there is a potential exposure to risk of sustainable supply and where possible have access to multiple sources to reduce the potential risk factors of natural disasters, crop failures and other incidents beyond our control, that may affect supply. NATIVE EXTRACTS Pty Ltd is committed to supporting socially responsible, culturally sensitivity and ethical practices in the relationships we engage with our growers. Our practices support the empowerment of our growers and respect to the Indigenous people and enterprises we work with.
Substance of Very High Concern SVHC	NATIVE EXTRACTS Pty Ltd products do not contain any of the Substances of Very High Concern [SVHC] as defined in Article 59[10] of the REACH Regulation.

**DISCLAIMER:** The information contained has been obtained from current and reliable sources. NATIVE EXTRACTS Pty Ltd is not responsible for any reliance readers place on the material in this document and readers rely on the information in this document at their own risk and we recommend efficacy testing to be done on the finished product formulation to determine if it meets your specific target performance. However, this information is not intended to constitute an 'authoritative statement' under the National Industrial Chemical Notification and assessment Scheme Australia and New Zealand rules and regulations. The range of compounds delivered in NATIVE EXTRACTS Pty Ltd products is only a guide as there will be fluctuations in the range available per batch as this is a natural product and reflects the nature of natural differences from harvest to harvest, source to source, batch to batch etc.  
NATIVE EXTRACTS Pty Ltd provides the information contained herein in good faith but makes no representation as to its comprehensiveness or accuracy. Individuals receiving this information must exercise their independent judgment in determining its appropriateness for a particular purpose. As the ordinary or otherwise use(s) of this product is outside the control of NATIVE EXTRACTS Pty Ltd, no representation or warranty, expressed or implied, is made as to the effect(s) of such use(s), (including damage or injury), or the results obtained. NATIVE EXTRACTS Pty Ltd expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, nothing contained herein should be considered as a recommendation by NATIVE EXTRACTS Pty Ltd as to the fitness for any use. The liability of NATIVE EXTRACTS Pty Ltd is limited to the value of the goods and does not include any consequential loss. NATIVE EXTRACTS Pty Ltd shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon.  
NATIVE EXTRACTS Pty Ltd shall not be responsible for any damage resulting from use of or reliance upon this information. The user of the product is solely responsible for compliance with all laws and regulations applying to the use of the products, including intellectual property rights of third parties.
